

Decatur Head Parking – Summer 2018

We have enough parking for one space per cabin.

Our boat slip is located on the BB dock. After loading/unloading your gear on the boat you will take a parking pass out of the lockbox located near the dock buggies adjacent to the BB dock. The combination is 972. The Skyline parking lot is outlined above with a callout for detail.

During Prime Time \$6 per Night will be added to your invoice. **Please allow 45 minutes for loading.**

Please remember to return the passes to the lockbox.
